SECTION – 1

QUALIFICATION CRITERIA

Concept of Project

Pradeshik Cooperative Dairy Federation (PCDF) has 18 milk unions across the U.P. state. The primary objective of the PCDF is to develop a complete solution for quick, transparent and integrated system of procurement, data transfer and payment to milk producers across the Milk Unions of U.P. to win over confidence of milk producers. The project is to be performed on Turn Key basis. The basic concept of project is as under.

Milk testing & payment to producer:

1. Milk shall be tested at BMC/MCC level through SMART_AMCU both for farmers and linked DCS/VCS and after each testing acknowledgement slip stating Quality, Quantity, Milk rate and Amount will be generated and copy of which will be given to the pourer and data will be transferred online real time to central server simultaneously using GPRS connectivity.
2. Along with the Receipt slip / acknowledgement slip for Milk, the central software should be able to generate payment advice for bank where the concerned producer/DCS is having his account.

Provision for SMS alerts to be generated to the concerned producer from system itself.

3. Smart AMCU should have provision to record milk dispatch time, temperature of milk, taste of milk.
4. Smart AMCU should be able to integrate with Milk Adulteration Detection System if any.
5. PCDF has installed BMC monitoring system along with BMCs. Reports and alerts for matching the milk procurement and milk chilling functionalities using the data from BMC monitoring system.
6. Smart AMCU should be able to integrate with existing milk analyzer and weigh scale docks installed at MCC.

1. QUALIFICATION CRITERIA:

This Invitation to BID is open to all entities meeting or exceeding all of the following minimum Qualification criteria. Any Bidder not meeting any one of the qualification criteria as mentioned below shall be summarily rejected.
